

X-RATED ISSUE #10 \$3.50

Special anatomically incorrect issue! New Cheesy story!

ANTHROPOMORPHIC ROMANCE

NOW,
WHAT
SEASON
IS IT?

EDITORS NOTES

And a happy springtime to you all! Along with Rough Cats and the ever amazing Cheezy I'm pleased to bring you a new character, Pussin (pernounced 'poo-sin'). For the next issue, let's see how much trouble we can get her into. Personally, I see her as very physical, slightly awkward, smart and sweet with a bit of temper, about 5'10", and 160 lbs. Next issue should go to press in June. See you then!
